

AGN. NO. \_\_\_\_\_

MOTION BY SUPERVISOR MICHAEL D. ANTONOVICH

DECEMBER 18, 2007

In 2006 the County of Los Angeles and the Cities of Lancaster, Palmdale, and Santa Clarita retained a consultant to investigate funding mechanisms for new Sheriff's stations. The consultant recommended adoption of an impact fee unique to five distinct regions in North County. Because certain regions encompass both an incorporated city and County unincorporated territory, it is essential that both jurisdictions adopt similar ordinances. It is anticipated that the three cities will adopt these recommendations.

I, THEREFORE, MOVE that the Board of Supervisors direct the Chief Executive Officer, working with the County Counsel and the Sheriff, to prepare a proposed ordinance and any other required documentation for the creation of a Law Enforcement Facilities Impact Fee for the North County, and that this ordinance be brought back to the Board of Supervisors for its consideration at a public hearing within 60 days.
